Dr Ananda Rajan is a mechanical engineer and a medical doctor with a lifelong passion for education. He founded Penciltutor in 2002 to realise a dream to help provide quality education to people of all backgrounds, including those from lower-middle income families. Having come from a modest background, he is familiar with the financial struggles that some parents face providing their children with a good education so that they could have the same opportunities as their peers.

Ananda Rajan 博士是一位机械工程师和医学博士，他热衷于教育，他一直怀着一个梦想，就是能够帮助中低收入的家庭，提供非常优质的教育，但不是最昂贵的价格。他自小来自同样的背景，他非常了解当初自己的父母，为孩子提供良好教育所面临的种种的苦恼，尤其是经济的压力，所以，他在 2002 年创立了 Penciltutor，他的使命就是，要把这同等的机会传递给每一个有需要的家庭。
